PROFILE

Passionate Frontend Developer with a strong JavaScript, HTML, and CSS foundation. Enthusiastic about building responsive, high-performance web applications. Beyond coding, I enjoy basketball, anime, and discovering new Sunnah. Always eager to learn and grow, I thrive in dynamic environments driven by innovation and collaboration.

WORK EXPERIENCE

Coming Soon... 2025 - Present
Senior Frontend Developer

- Develop and execute comprehensive marketing strategies and campaigns that align with the company's goals and objectives.
- Lead, mentor, and manage a high-performing marketing team, fostering a collaborative and results-driven work environment.
- Monitor brand consistency across marketing channels and materials.

Coming Soon... 2023 - 2025
Intermediate Frontend Developer

- Create and manage the marketing budget, ensuring efficient allocation of resources and optimizing ROI.
- Oversee market research to identify emerging trends, customer needs, and competitor strategies.

My Portfolio 2025 - PRESENT
Self-employed

- Created sleek, responsive websites with clean UI using HTML, CSS, and JavaScript.
- Focused on delivering smooth user experiences with fast load times and intuitive layouts.
- Continuously refined code through self-learning and experimentation.

EDUCATION

Bachelor of Science (BSc) EXPECTED 2029
Computer Science | University of Ilorin
GPA: 4.0/ 5.0
